KIRKSTONE ANNOUNCES APPOINTMENT OF CLIVE MASSEY AS CHIEF EXECUTIVE OFFICER

June 2, 2025 – Vancouver, BC, Canada – Kirkstone Metals Corp. (formerly, Dunbar Metals Corp.) (the "Company") (TSXV: KSM) is pleased to announce that Clive Massey has been appointed President and Chief Executive Officer and has joined the board of directors of the Company. Mr. Massey brings more than thirty years of experience in the public markets and fills the vacancy created by Mark Ferguson, who has stepped down from his role with the Company to focus on other ventures. The board of directors of the Company thanks Mr. Ferguson for his service to the Company.

About the Company

The Company is engaged in the acquisition and exploration of mineral properties in Canada. The Company currently holds a 100% interest in mineral claims totaling approximately 7,000 hectares comprising the Gorilla Lake Property, located in North Saskatchewan, Canada, subject to a royalty obligation. The phase one exploration program at the property consists of geological mapping, prospecting and geochemical sampling based on the anomalies identified by the Company's Heli-TEM survey and integration with other available datasets. The Company's secondary objective is to locate and develop other economic precious and base metals properties of merit.
